REPORT ON CREAZIONE '19

Date: 14th and 21st Feb 2019

Venue: 5th Floor Administrative Block

Creazione is an annual in-house competition conducted to enhance the professional and artistic skills of civil engineering students. “Creazione '19 - Popsicle bridge contest” was conducted on 14th February, 2019 from 3.00 pm - 4.30 pm for all UG students and Mr. Anvin Sebastian and Ms. Devi Sreenivas were the faculty – in – charges for the competition. The program received commendable response from the students’ side and 47 teams participated in the contest. The competition not only served the purpose but also nurtured an interest to work in teams among students. The guidelines for bridge modelling were given beforehand and dimensions were given on the spot.

The evaluation criteria were based on the load bearing capacity of the bridge with a provision to consider the aesthetics in the case of a tie. The judging committee comprised of faculty members from civil engineering department, Ms. Sanju Sreedharan, Ms. Nanditha Mohan, Ms. Roshni K. R., Ms. Geethu R. Babu and was headed by Mr. Santhosh G. The testing of the bridge was done on 21st February, 2019 in the presence of student representatives.

The first prize was bagged by Anshida C. A., Anu Shon V. C., Diya S of S4 CE1 (Batch 2017-21) and second prize was secured by Dakshin Udayan, Doris Davis and Gayathri V. Marar of S8 CE1 (Batch 2015-19).

The aspect of team spirit was seen all throughout the contest and students were able to amalgamate their creativity with technical knowledge.

Final year students, Mr. Ananthu Bose, Ms. Hilna Shanu M M, Mr. Renjukrishnan U R and Ms. Thejna S were the student volunteers.
